

ASPIH Standards and Quality Assurance SIG

Terms of Reference

Remit

- To enhance communication, share information and encourage multidisciplinary input in the production of high quality and independently appraised SBE standards.
- To promote and disseminate the information produced by the Standards committee of ASPIH
- To produce/support the creation of evidence based information to enhance the delivery of simulation based education (SBE) consistent with the aims of ASPIH
- To form links with other organisations with similar aims i.e. improving patient care and professional performance by the use of simulated practice and technology enhanced learning.

Outcome

The SIG reports to:

- ASPIH Committee at its meetings
- The membership at the AGM

Duration

As defined by the ASPIH Committee.

Membership

- Chair: appointed by the President and Committee of the ASPIH
- Interested members of the ASPIH organisation.
- Officers of the ASPIH are invited to attend the meetings. At least one officer should make him/herself available to attend the ASPIH annual meeting.

Meetings

The SIG will meet at least once a year.

Confidentiality

All deliberations within the SIG are confidential unless divulged within the ASPIH Committee or as part of formal ASPIH policy
